Dear Corporate Headquarters,

My name is Thomas Hines, CEO of Jiveocity®. We are a Google® Sponsored Social Networking Company reaching out to Businesses Worldwide.

Jiveocity® is the First-Ever Dual Social Networking Mobile Application that:

1. Offers your business the option to send out a direct message to anyone that comes within 200 feet of your brick & mortar establishment.

2. Allow consumers to fully interact with one another at your establishment.

3. 100% free to both Business and Consumer.

The Jiveocity® mobile application offers business owners the opportunity to direct-market a new group of potential customers while giving mobile users the opportunity to fully interact with one another at any physical brick & mortar establishment.

Please let me know if you have any questions. I would be happy to answer any questions or concerns you may have.

Best Regards,

Thomas Hines

First-Ever Dual Social Networking App Allows Businesses to Contact Anyone Within 200 Feet

The Jiveocity mobile application offers business owners the option to reach a new group of potential customers while giving mobile users the opportunity to fully interact with one another at any physical brick & mortar establishment.

Orlando, FL August 26, 2014

Jiveocity is the First-Ever Google Powered Dual Social Networking Mobile Application that: 1. Offers any business worldwide the option to automatically send out a direct message to anyone that gets within 200 feet of their establishment; and 2. Allow consumers to fully interact with one another at any location.

Jiveocity for Business:

- Direct message anyone within 200 feet of establishment

- Build & Customize their Jiveocity page

- See who's at their establishment right now

- Live chat with their customers via the Jive Chat Room

- Upload photos, videos & coupons and more

- Broadcast their live cam to everyone

- Keep customers in their establishment longer

Jiveocity for Consumers:

- See who's in the establishment with them

- Send messages, greetings & friend requests

- Join in the Jive Chat Room for any location

- Make themselves invisible

- Users can favorite locations

- Users can join friends locations

Jiveocity has not fallen short on features. Their plethora of networking capabilities for both the consumer and business has exceeded everyone's expectations while also keeping consumers privacy and safety a top priority. Users may "Make Themselves Invisible", "Block & Report Offenders", "Make their Profile Private", along with many other security features.

Get the App Today!

Available on the App Store

LIVE LOCATIONS NOW!

"The First Ever Dual Social Network Application for Both Consumer and Business!"

Jiveocity also comes packed with an assortment of features for the Business Owner. Not only can business owners view and contact their customers live, but should a Jiveocity user get within 200 feet of an establishment, they will automatically receive the Business Owners "Special Offer Message"!

Thomas Hines (Product Development) has said, *"We are excited to release the first-ever dual social networking application that will connect consumers and business like never before!"*

The Jiveocity Mobile App is currently available for download on both iTunes and Google Play for free. Please visit http://www.jiveocity.com/ and http://www.jiveocity.com/page/business for additional information.

Jiveocity® is the very first interactive, location based, social networking application where users can fully interact with one other at any location! Not only for personal use, but now businesses can interact with both their current and potential customers!

How would you like YOUR MESSAGE to be received by anyone that gets within 200 feet of your establishment?

Well....now you can! 100% Free! Here's How:

Step 1

Jiveocity® Mobile Application

Available on the iPhone **App Store**   ANDROID APP ON **Google play**

1. Visit Google Play or App Store.

2. Download the Jiveocity® Mobile Application.

3. Register Quickly and Easily.

4. Log into the app, go to the Location page.

5. Click "See who's here" beside your establishment.

Step 2

Jiveocity® Website

www.jiveocity.com

1. Log into www.jiveocity.com.

2. Search & Find your location.

3. Click on "Claim this Location".

4. Edit & Build your Jiveocity® Page.

5. Insert your "Special Offer" message.

Step 3, inform your customers the value of the Jiveocity®Mobile App!
